# Our 2024 annual pricing review

At Standard Bank, we strive to provide you with innovative solutions, dependable tools, and affordable rates and fees to ensure we protect your financial well-being. We are proud to partner with you every year. In 2024 you can expect a few pricing changes, but you can rest assured that we considered the impact of the price changes on your business and have kept increases to a minimum.

## How it works

- The escrow transaction fee can be paid by either the buyer or the seller or split equally between the two parties.
- Fees are calculated as a percentage of the transaction amount.
- Please use the table below to see what percentage will be charged.

R0 00	R10 000	1.15% (Minimum fee R115)
