

Attorney trust account

- Listed documentation detailed above according to your specific legal entity type
- Fidelity Fund Certificate (Fidelity Board Certificate)

Notes

* If your company is not in possession of a CIPRO certificate, we will require all your registration documentation in its place.

** For persons acting on behalf of any business entity, written confirmation that the person has authority to act on behalf of the entity must be furnished. This will usually take the form of any one of the following: a Power of Attorney, a written mandate, a court order, letters of authority, or a resolution duly executed by the authorised signatories to the account.

The following are acceptable forms of identification for individuals:

- Green bar coded ID book
- Passport (if no ID)

Disclaimer Clause:

Whilst Standard Bank ("we") have taken all reasonable steps to ensure the accuracy, completeness and soundness of the information provided, we will not be liable for any damages and/or loss and/or reliance being placed upon the information provided. The information provided should not be regarded as a substitute for up to date information received from your Standard Bank branch. For updated information please contact your nearest Standard Bank.
