

Standard Bank

Prepaid Mobile Network Operator (MNO) airtime, data, and SMS bundles allow you to quickly buy mobile top ups and bundles directly from the platform, without needing to use your mobile network's app or visit a store.

It gives you a fast and convenient way to stay connected by purchasing the airtime, data, or SMS bundles you need in just a few taps.

1

Quick and helpful steps

Select the "Buy" entry point and chooses whether you want to buy airtime, data, or SMS bundles. Then enter the mobile number, pick the bundle or amount you need, and confirm the purchase using your preferred payment from account. The process is quick and guided step by step, enabling you to top up your mobile services instantly without switching apps or going in store.

2

Important to note:

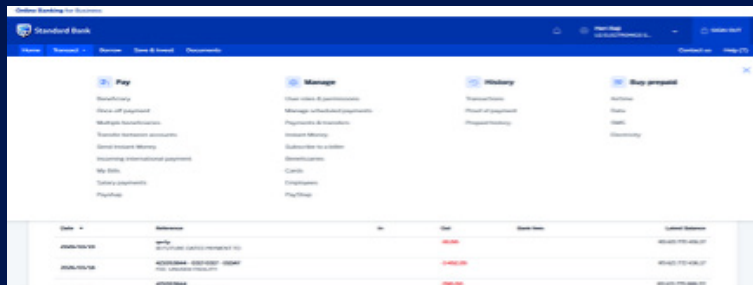

- You must have a registered and active account on the platform.
- You must have either the Owner | Manager role loaded to buy electricity
- Your mobile number must be valid and linked to the MNO selected.
