Your authorised second cardholder on the account is automatically covered for accidental death only at no extra premium.

3 Benefit Plans

You get different benefits from this policy depending on your age:

3.2 Between ages 65 and 75

Covers you for death only from age 65 until you turn, 75 when cover ends. The second cardholder has accidental death cover until they turn 75, when cover ends.

4 Benefits
4.1 Special terms where Insurance is Mandatory

Where insurance is mandatory and the customer chooses the Liberty Group Credit Card Protection Plan, the comprehensive plan with all the applicable benefits will be offered. The waiting periods on compulsory insurance are as follows:

A three months waiting period applies on Death, Temporary and Permanent Disability and Retrenchment

- If death or total and permanent disability or temporary disability occurs, Liberty Group will only pay benefits if the policy started three months before the event and you have paid all your premiums on time;

The exclusion applies only in the first twelve (12) months of cover, thereafter the Insured Person will have full cover.

The accident or illness that has directly resulted in the claim must have occurred during the period of cover, after the credit agreement starts and before the benefit expires.

No claim will be allowed for any condition where a previous claim for the same (or related) condition was already paid under the same or any other Liberty credit life insurance policy for the same underlying credit agreement. The claim event must also have occurred after the credit agreement was commenced.

If the average monthly amount you owe on the card increases by 15% or more during any 12 months, the exclusion for pre-existing conditions applies to the increased amount for six months from the last increase.

Increases to credit agreement amount

If the loan amount for the credit agreement that this credit insurance applies to is increased, then all waiting periods and exclusions mentioned will apply in full to the increased portion from the date of the increase.

A waiting period is a period of time that must pass before some or all coverage begins.

4.4 Limit of cover

The highest cover for each insured person is **R250 000**.

4.5 Surrender benefit

This policy has no surrender cash value. This means it does not pay out anything if you cancel it.

5 Death Cover
5.1 Benefit

If you die while this policy covers you and the claim is valid, Liberty Group will pay the benefit. All cover then ends, and Liberty Group is no longer liable under this policy. The death benefit ends when you reach the age of 75.

The death benefit on the event date is the amount you owe on the Standard Bank credit card loan when you die (excluding late payments), together with any interest for up to 12 months. The most Liberty Group will pay is **R250 000** for each. A minimum benefit of **R25 000** applies.

An accident is a sudden external, violent, unexpected event that results in injury or death.

- **Accidental death benefit**

The accidental death benefit on the claim date is the same as the death benefit. The most Liberty Group will pay is **R250 000**.

If you die due to an accident, Liberty Group will pay the accidental death benefit to your estate within 180 days. This is in addition to the death benefit payable.

The benefit has the same limit as the normal death benefit.

The double accident cover is only applicable to the main insured person.

5.3 Suicide exclusion

If you die by your own deliberate actions (commit suicide) within two years after cover started (or was reinstated), Liberty Group will not pay any benefit.
