Terms and Conditions

1 Introduction

- 1.1 This agreement is between you and MoneyGram® Payment Systems, Inc. (“we, us and our”) acting through the Standard Bank of South Africa Limited (“Standard Bank”) being one of MoneyGram®’s service representatives (each one of them, including Standard Bank, a “service rep”). The terms contained in the form are part of this agreement.
- 1.2 You must sign the form and ensure all sections have been fully and accurately completed. If you do not, we may not be able to send the money. You must call us if any of the information you provided changes before the recipient collects or receives the money.
- 1.3 This agreement is for us to provide you with our MoneyGram®’s Money Transfer service (the “recipient”) (a) to collect in cash at a MoneyGram® location (our “cash to cash” service); or (b) to receive into his/her bank account or other type of physical or virtual account including mobile wallet (our “cash to account” service). These conditions apply to both services, except where we say they apply to one of them.
- 1.4 For cash to cash transfers, you can either send money within the same country, if permitted, or to a different country (“receive country”). The recipient can only collect the money in the receive country stated in the form. Once Standard Bank has processed this form and been given your money, the recipient can collect the money at any MoneyGram® location in the receive country within minutes (during opening hours) in cash, in the currency stated in the form unless condition 2.2(a) below applies. We will not contact the recipient when the money is ready to collect, so this is something you will need to do.
- 1.5 We do not offer our services in all countries. You can call us, visit our website or ask a service rep to find out the availability of our services, and addresses and opening times of locations offering the MoneyGram® service.
- 1.6 Our contact details: our telephone number is **080 0202 885** (you may be charged for calls to this number by mobile phone); our website is **www.moneygram.com**; our address for writing to us is MoneyGram® opportunities). Payment Systems, Inc., At: **MoneyGram International, Konstruktorska Business Centre, 13 Konstruktorska Street, Warsaw, Poland 02-673.**

2 Charges and currency exchange

- 2.1 You must pay us the fee stated in the form. You will not be charged any other fee for the transfer. You can only send money in a certain currency or currencies. Standard Bank will tell you whether a payout currency is available at a particular service rep location in the receive country and (if different to the currency in which you pay us) what exchange rate will apply. Your chosen currency, the agreed exchange rate and the converted amount will be stated in the form.
- 2.2 However, for cash to cash transfers to certain countries: (a) if the transfer amount is stated in U.S. Dollars, and the recipient’s service rep does not pay out in that currency, the service rep will convert the money into the local currency using our or its standard exchange rate; (b) if the money (whatever foreign currency it is sent in) is not collected within 45 (forty-five) days, the recipient’s service rep may recalculate the converted amount at the time of collection, using our or its standard exchange rate. Please ask Standard Bank for details.

3 Restrictions on transfers

- There are limits on how much you can send. Standard Bank will, as necessary, tell you what they are. We may refuse to send the money or allow it to be collected if we reasonably believe that: (a) by doing so we might break any law, regulation, code or other duty that applies to us; (b) doing so may expose us to action from any government or regulator; or (c) it may be linked with fraudulent or illegal activity.

4 Cancelling and refunding a transfer

- You do not have a right to cancel the transfer. We may nevertheless be able to cancel it before the recipient collects or receives the money. If you wish to cancel the transfer and request a refund of the transfer amount, you can ask Standard Bank or write to us enclosing a copy of your completed send form. We aim to process such requests promptly but in any case within 30 (thirty) days.

5 Identification and pay out for cash to cash transfers

- 5.1 In order to collect the money and complete a transfer, identification will have to be provided. For certain transfers (depending on the receive country and amount - Standard Bank has the details) the test answer you have set in the form may be required in addition to identification or instead of identification.
- 5.2 The reference number of the transfer will normally also need to be provided to the service rep. Please note that the reference number is not always required to collect the money (again, you can find out what is required from Standard Bank).

- 5.3 You must not give the reference number, test answer or recipient’s details to anyone other than your chosen recipient, and you must do all you reasonably can to make sure no one else can obtain them - for example, by (a) not letting anyone see the form; and (b) not writing down the test question answer or the reference number in a way that can be recognised, nor letting anyone overhear you tell the recipient what they are.

6 Additional condition for cash to account transfers

- We will send the money to the bank account or any other physical or virtual account which you specify in the form. For information on when a payment will be credited to such an account, you need to contact the recipient’s bank or the relevant account service provider. The recipient’s bank or relevant account service provider may apply its own charges to the transfer, which do not involve us.

7 Expired transfers

- If you ask us to make a Transfer to be collected in cash and the Transfer amount has not been collected within 90 days, we will treat the Transfer as no longer capable of execution (an “Expired Transfer”). We will have no obligation, after that 90 day period, to execute an Expired Transfer. If an Expired Transfer occurs, you will be entitled to a refund of the amount of the Expired Transfer. If you become aware that a transferred amount has not been collected please contact us for a refund.

8 Separate arrangements with service reps

- Service reps may offer additional services to recipients under separate agreements, which do not involve us (and, therefore, for which we are not liable). Service reps may charge extra for those services, and will use a currency conversion rate of their choice if they involve changing currency.

9 Our liability

- 9.1 We will not be liable if we break this agreement because of: (a) abnormal and unforeseeable circumstances outside our control where we could not avoid breaking this agreement despite our efforts to the contrary - this may include, for example, delays or failures caused by industrial action, problems with another system or network, mechanical breakdown or data - processing failures; or (b) our obligations under English or other applicable laws which we may be subject to.
- 9.2 We are not liable to you for more than the amount of money you send and our fee. We will not be liable for any incidental, indirect, special or consequential losses or costs you suffer or, as this agreement is made with you as a consumer, any business losses or costs (such as loss of business profits or opportunities).
- 9.3 Our service is for you to send money to a private individual known by you rather than to make a commercial payment, and you must not use it for those types of transaction. You must also follow the fraud warnings on the form. If you ask us to pay someone who turns out to have defrauded you, or who fails to meet their obligations to you, we will not be liable as a result.

10 Other terms

- 10.1 We and/or Standard Bank will report money transfers to any government available authorities if we are required to do so by law.
- 10.2 None of our services involve you or the recipient having a “deposit” or a deposit account with us (or any other company helping with the transfer, apart from the receiving bank or relevant account service provider for a cash to account transfer) at any time.

11 Data privacy:

- By continuing with the transaction, you consent to the collection, use, disclosure, and transfer (including cross-border transfer) of your personal information as described in our Privacy Notice, which is available on our website at **www.moneygram.com/privacy-notice**.
